

Greetings from the Moderator

Good Day to you all:

It is snowing again as I write this greeting. It seems that Old Man Winter was just clearing his throat in November and December. The snowblower is calling my name and I must go. Before I do, I want to invite you to come to the Annual meeting/Celebration we have at the Waterford Congregational Church on January 29th at the Wilkins House right after the service that day. I can tell you that we will be hearing wonderful things accomplished during this past year as we throw off the major part of the Pandemic and stretch into the sunlight. We continue to strive to improve and amplify what we do on our vision goals of Spirituality, Service to the Community and Music. I hope to see you all there at the Brunch where we will enjoy good food, good fellowship and good news about our church.

Peace,
Alan Struck
